Zalaszentlászló Falu széle

230 126 000 HUF

For those looking for more space, greater freedom, and a property with exceptional versatility, this remarkable estate offers far more than a traditional family home. Located in the peaceful village of Zalaszentlászló, it combines generous living areas, a natural environment, and modern comfort in an outstanding setting.
Built in 2005, the property offers approximately 355 m² of living space on an impressive 7,700 m² plot. Its size and layout make it an ideal choice for large families, multi-generational living, or anyone seeking additional space for guests, home offices, or separate living areas.
The property features a total of 5 bedrooms, 5 living rooms, 4 kitchens, and 5 bathrooms. This rare layout provides both spacious communal areas and a high level of privacy for all residents. Bright and generously sized rooms create a welcoming atmosphere while offering a wide range of possible uses.
The technical features are equally impressive. The house is equipped with gas heating, multiple air-conditioning units, a solar energy system, and its own private well, contributing to both comfort and cost-efficient operation.
